

## Chartrand Design

Nativity Set No. 1902- The outstanding model by Kostner, from the center of woodcarving, the village of Ortisei in the Italian Dolomites.

These are full round figures, in the traditional colors. The Wise Men are richly decorated in gold and silver. This set is available in five different sizes. The sizes are the average height of the standing figures.

Available in either carved lindenwood or fiberglass, the prices are listed below.

**Transportation from the shop in Italy is additional, please contact us for further information.**
