

## Chartrand Design

Nativity Set No. 1950- This beautiful model is by Ivo Demetz, from the center of woodcarving, the village of Ortisei in the Italian Dolomites.

These are full round figures, in the traditional colors. The Wise Men are richly decorated in gold and silver. This set is available in five different sizes. The sizes are the average height of the standing figures.

This set is cast in fiberglass and polyester resin, decorated by the same artists that execute the local woodcarvings.

**Transportation from the shop in Italy is additional, please contact us for further information.**
