

5 EASY STEPS TO FINDING RING SIZE:

1. Find a piece of string or strip of paper no wider than 3/4".
2. Wrap it around the base of the appropriate finger.
3. Use a pen to mark the point on the string/paper where it overlaps, forming a complete circle.
4. With a ruler, measure the length from the starting end of the string/paper to the pen mark.
5. Use this measurement and the chart to the right to determine your ring size

Measure a ring that fits you (or your intended recipient):

Place a ring that fits you over the circle, making sure the inside of the ring lines up with the outside of the circle. If you are between sizes, order the larger size.
